

CHAPTER 12 - CONSULTATION AND COORDINATION

The agencies, organizations, community groups, individuals, and others were contacted, attended meetings, called for information, submitted comments, and/or were included in briefings. Those listed below are only some of the organizations and individuals involved during the SEPA/NEPA process. Approximately 300 Final Supplemental SEIS/EA documents were sent out including those listed below. An additional number of people near the project area or who may be affected by the project received a newsletter that stated the availability of the final joint document.
